EXPERIENCE

Substitute/Summer Teacher

Missouri Valley Montessori, September 2014-Present

- Assist the classroom teacher in planning, preparing, and leading activities to promote young children's social, cognitive, and motor skills following the Montessori philosophy and teaching methods.
- Maintain effective classroom management techniques.
- Maintain a positive and personable rapport with students, parents, and staff.
- Plan and organize curriculum during the Summer Program, as well as, supervise and interact with children.
- Create activities for students that implement research-based methods.

Student Teaching

St. Mary's Grade School, August 2017– October 2017

Hillcrest Elementary, October 2017-December 2017

- Planned and implemented grade-level activities that aligned with school and district curriculum requirements.
- Taught content to meet all student needs by scaffolding and re-teaching.
- Utilizing small and large groups to teach content and introduce concepts.
- Collaborated with other grade-level teachers to create an engaging, fun, and productive learning environment for students.
- Create meaningful relationships with students through daily interactions.

Childcare Provider

Proximal 50—P50 Kids, September 2016-February 2017

- Provide a caring and loving environment for young children, in which they felt safe and able to learn, play, and grow.
- Create meaningful relationships with children.

Vacation Bible School Crew Leader

Martin Baptist Church, June 2009– August 2011

- Implement the provided VBS curriculum.
- Supervise and interact with children.
